The aim of this Internet Acceptable Use Policy (AUP) is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner.

Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.

When using the internet pupils, parents and staff are expected:

- To treat others with respect at all times.
- Not undertake any actions that may bring the school into disrepute.
- Respect the right to privacy of all other members of the school community.
- Respect copyright and acknowledge creators when using online content and resources.

This Acceptable Use Policy applies to pupils who have access to and are users of the internet in Knockminna N.S.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

Knockminna N.S. will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated codes of behaviour and anti-bullying policies. In such cases Knockminna N.S. will, where known, inform parents/carers of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

Knockminna N.S. implements the following strategies on promoting safer use of the internet :

- Pupils will be provided with education in the area of internet safety as part of our implementation of the SPHE and CSPE curriculum.

This policy and its implementation will be reviewed annually by the following stakeholders:

- Board of Management, teaching staff, and support staff.

This policy has been developed by a working group including: Principal, Deputy Principal, teachers, pupils, parents/carers, and representatives of the Board of Management.

The school will monitor the impact of the policy using:

- Logs of reported incidents.
- Monitoring logs of internet activity (including sites visited).

Should serious online safety incidents take place, Mrs King, Principal, should be informed.

The implementation of this Internet Acceptable Use policy will be monitored by all staff and management.
